

£14,000 Grant awarded to St Andrews

**BREAKING
NEWS**

The DCC have received a grant from the Heritage Lottery Fund for the costs of developing a project for extensive repairs to the church, for improving the lighting and for heritage interpretation.

This is a first stage grant. Once all surveys and estimates have been completed we shall apply for the second part of the grant to fund the work.

If all goes according to plan, work should start in the summer of 2017.

Celebrate and give thanks for this wonderful opportunity to preserve and improve St Andrew's Church.
